Cabin Fever Cheat Code PC/Windows [Updated]

Set in the heart of a dying, industrial town, in a time of chaos, love and hate, greed and war, a group of ragtag heroes make their way against all odds to create the largest criminal empire. Trying to protect their loved ones, they learn the heartbreaking truth behind their father's mysterious disappearance, setting the stage for an epic family feud. All they have to stand between them and the ruthlessness of the Seven Seas is a floundering supervillain trying to take over the world. Reviews "As much a thriller and a comedy of manners as it is, Sea Salt has a heart bigger than your average player's and a plot to rank with something out of a Clive Barker story." 8/10 – GamesPlanet "Sea Salt is a rather impressive post-apocalyptic game that's both a comedy and a true action game." 8.5/10 – Hardcore Gamer About The Game Sea Salt: Set in the heart of a dying, industrial town, in a time of chaos, love and hate, greed and war, a group of ragtag heroes make their way against all odds to create the largest criminal empire. Trying to protect their loved ones, they learn the heartbreaking truth behind their father's mysterious disappearance, setting the stage for an epic family feud. All they have to stand between them and the ruthlessness of the Seven Seas is a floundering supervillain trying to take over the world. Reviews "If you liked your role-playing games bigger and dirtier, they'll certainly appeal to you." 100/100 – IGN "If you're looking for an action game to break the monotony of your life, Sea Salt: The Supervillain Revenge is the game for you." 9/10 – Dtoid About The Game Sea Salt: Set in the heart of a dying, industrial town, in a time of chaos, love and hate, greed and war, a group of ragtag heroes make their way against all odds to create the largest criminal empire. Trying to protect their loved ones, they learn the heartbreaking truth behind their father's mysterious disappearance, setting the stage for an epic family feud. All they have to stand between them and the ruthlessness of the Seven Seas is a floundering supervillain trying to take over the world. Reviews
