□A New Game From The Author of “The Elder Scrolls V: Skyrim” The Elder Scrolls IV: Oblivion was released in 2006. “The Elder Scrolls V: Skyrim” was released for Xbox 360, PS3, PC, Wii U, and Xbox One in 2011. “The Elder Scrolls V: Skyrim Special Edition” will be released for Nintendo Switch, Xbox One, PS4, and PC on Sept. 21, 2019. □World of Tarnished is a Fantasy RPG That Has Long Been Wished For by Players As a Dragonborn born from the element of fire, you are a Tarnished Knight who was captured and imprisoned in a dungeon in an attempt to prevent the collapse of their empire. While imprisoned, you were appointed with the task of clearing an area that has developed a deadly curse. Thus far, you have completed two thirds of the map. In the game, the story is a web of various thoughts of the characters trapped in the dungeon. These include your own thoughts and those of other characters. In order to realize the various ideas these characters think of, the story takes place over a vast world filled with tension and excitement. ■ New Game Features □ An Unrivaled World An open world is a single world that is divided into various regions. Although the map is large, the number of regions is limited. A region is a play space that places the player directly on the location. When the region is clear, an open field offers a sense of freedom as a starting point. In the event that the region becomes filled with obstacles, the area looks different from the beginning. In places where obstacles are scattered or added, you must navigate through the unknown and challenge yourself to clear the region. □ Highly Customizable Characters Through various equipment and skills, you can acquire various kinds of weapons, armor, and magic. They can be freely combined to change the character’s stats and methods of attack. □ An Enthralling Storyline that Can Be As Different As the Players The story of “World of Tarnished” is based on the viewpoints of the characters trapped in the dungeon. Also, the game features an “asynchronous online element” in which the presence of others is acknowledged. ■ About “World of Tarnished III” □Development Team The “World of Tarnished” series is created by

Features Key:

Detailed Evolution of Abilities - Warrior, Magus, Knight, etc.
Giant Monsters, Large Dungeon - Don't Miss “Battle of the Thousand Kettle”.
